

Picture Chat

Grade: GESE Grade 6 (CEFR B1.2)

Time: 30–40 minutes

Aims:

- ▶ To reinforce the importance of pair-work
- ▶ To practise GESE Grade 6 language functions and language items

Resources:

- ▶ Set as homework the day before: Sts gather photos related to the conversation areas. They may have printed photos or they might want to show them on their mobile phones (if so, they're advised to put them in a dedicated folder on their phones). They should gather these photos together as homework in advance of the lesson. Eg photos of them in a foreign country, wearing special clothes, doing exercise, etc.

Activity:

1. Sts get their pictures ready to show
2. On the board, the T writes relevant language prompts such as:
 - ▶ *'What were you doing...?'*
 - ▶ *'Do you have to...?'*
3. Sts sit in small groups and ask and answer questions about their pictures.
4. Regroup them and repeat.
